Coroner Spelman then suggested that MES ECHUYLES FOR RENT. he courage to enter the room. Mrs schuyler thus declining to go to the jury he jury went to her, and her testimony ough brief, was decidedly against h difficulty that she knew of. She saw Will come to the door of the dining-roo and shoot. She was saked if her husbar had a glass in his hand at the time, and inswered that he did pick up one, but put down again. The jury then returned to the dining room, and Mrs. Schuyler re-lapsed into hysterics.

BLIZABETH KAUERZ, ster of the prisoner and stepdaughter the dead man, was called. She testified about as follows: "I saw the shooting Willie Kauerz did it. He was standing it the door and I was standing by my father. He had a glass in his hand, which he had picked up off the table, but he put it down. My father was speaking at the time he was shot. I did not see him hit se result of his examination of the body de, part of the charge entering the low portion of the heart and upper part of the his back partly torned toward the door through which the shot was fired. Death must have almost instantly ensued. The

> The prisoner was seen by a representa we of the Appear, but he declined to ake a statement. He was evidently in boring under the strongest excitement and his lips trembled when he opened them to speak. He is about nineteen years of age ras a florid complexion and a very good, though a weak face. He was genteelly freezed, and had none of the atmosphere of the bally about him. It must have been plain to any student of human nature that he acted under the impulse of a very activate temperament and that the second excitable temperament, and that the revu-tion was as quick and powerful as the pa-tion to which he gave vent with such fat-flect. It appears that Mrs. Fisher, whose effect. It appears that Mrs. Fisher, whose name appears over the door of No. 18, which is a boardinghouse, is the mother of Mrs. Schuyler, whose first hueband was named Kanerz, and who narried Schuyler in 1880. He figured in the course some time wince quite extensively, the charge against him being an attempt to outrook Nellie Courses, a practice and well.

Advice to Mothers.

Just Prepared and Sent to Nashville for the Action of the Legislature,

It is difficult to induce the general public to read anything in the shape of a formal legal document, no matter how much of important or sensational matter may be wrapped up in its stiff phrases, and for that reason the article yesterday on the the city debt compromise did not attract as much attention as its importance demanded. There were a few, however, who read the bill, and, without a single exception, so far as the Average man. It is difficult to induce the general public to read anything in the shape of a formal legal document, no matter how much of

any such power to any set of men in or for the Taxing-District for a great many ressons. The most important of these was, he said, the manifest injustice of giving those who are still holding out, and who have turned a deaf ear to the petitions of an overburdened city any more in proporhave turned a deaf ear to the petitions of an overburdened city any more in proportion than was given 13 others who were forced to accept the terms of the compromise. The gentleman said he could not see why the compromise act is not fair for Brown, Amy and Garrett, if it was fair for Smith, Jones and Robinson.

The only difference between them is that one hear histographs and can efford to American revisers which has not bee one has a bigger pile and can afford to wait longer than the other. The proposed bill, if it should become a law, will open

Cotton Factors,

The Popular Science Monthly makes no claims on its pictures, but when it comes to the reading matter, which nourishes intelligence and makes people wiser and really better informed, this magazine is

cal instructiveness of its pages. The June number is notable for the striking excel-"Are We to Become Africantized?" Prof. Benedict, after his preliminary discussion on "The Mervous System and Consciousness," develops his interesting conclusions on the correlations of thought and organization. M. de Laveleye, the Belgian Socialist, writes at much length on "The State is the Man," in answer to Spencer's "Many the Socialist, writes at the Man," in answer to Spencer's "Many the Socialist, writes at much length on "The State is the Man," in answer to Spencer's "Many the Socialist of the Socialist and in Quality, Style and Finish, are Unequaled in market. 160 For Sale by W. S. BRUCE & CO., MEMPHIS, TENN., and th A. WI KINGSLAND, Sacretary, CHICAGO, ILL.

State as the Man," in answer to Spencer's
"Man as the State." Spencer replies briefly
but very effectively. The cannent London biologist, Prof. Flower, expounds
"Whales, Fast and Present," with illustrations. "The Fuel of the Future," "Sulphurous Disinfectants," "Concerning Kerosene," and "The Mediterranean of Canada" are very readable papers, "The Ways
of Monkeya" is an entertaining study is a Estes, Doan & Co. Wholesale Grocers and Cotton Factors. No. 13 Union street, Memphis. Tenn.
